Cobo Balcony Gigs 2026

Dear Resident/Business Owner,

We are liaising with the Police and the Office of Environmental Health and Pollution Regulation (Environmental Health) to minimise any disturbance to residents in the surrounding area during these events, but please feel free to contact us should you have any concerns.

The event is being organised by Cobo Bay Hotel and the main contact should you have any questions in relation to the event is Mr. David Nussbaumer, telephone (01481) 257102.

Please see the schedule for all events from 03 May – 30 August 2025 overleaf.

Thanking you in advance for your understanding.

For and On Behalf Of
Nut Tree Limited

David Nussbaumer
Managing Director

NOISE MANAGEMENT PLAN

03 May – 30 August 2026

Introduction:

All events will be held on the balcony of the Cobo Bay Hotel with the main road on the front of the hotel closed for the duration of the event. The PA system will be pointing out to sea and the limits agreed with Environmental Health will be monitored via a noise meter and the front of house control desk and will endeavour to comply with agreed limits set out by environment.

The schedule for each of the events is:

Sunday 03 May

15.00 The Vinyls
16.15 Recorded music being played as background
16.45 Queen tribute
19.15 End of event

Sunday 28 June

15.00 School of Popular Music
16.15 Recorded music being play as background
16.45 The Last of The Light Brigade
19.15 End of event

Sunday 02 August

15.00 City Limits
16.15 Recorded music being played as background
16.40 Take That Tribute
19.15 End of event

Sunday 24 May

15.00 Bryan Adams Tribute
16.15 Recorded music being play as background
16.45 Tina Turner tribute
19.15 End of event

Sunday 12 July

15.00 Stuck to The Ceiling
16.15 Recorded music being played as background
16.00 Oasis tribute
19.15 End of event

Sunday 30 August

15.00 Cher tribute
16.15 Recorded music being played as background
16.40 Abba Tribute
19.15 End of event

Noise Levels:

The speakers for the event are installed by Centre Stage Guernsey for the first 5 days, but will be arranged by an inhouse sound technician for the 30th August gig as Centre Stage are not available. All details will remain the same as the previous 5 gigs.

The PA will be tested at an agreed time with Environmental Health and the organisers will endeavour to keep to the levels set by Office of Environmental Health and Pollution throughout the duration of the event.

The speakers will be placed each side of the balcony tilted down facing out to sea.
